

## Join the "Share the Care" Program

The "Share the Care" Program is designed for those who would like to help contribute toward the comfort and care of a homeless pet. You may take part in the program by contributing as little as \$5.00 a month, which will be designated to the care of the particular animal of your choice.

Just choose an animal from the adoptable animal's page on our website at <http://www/k3chs.net> and write their name on the form below. Return the form to **Kankakee County Humane Society**, Box 2115, Kankakee, IL 60901. You are always welcome to visit your sponsored pet and spend some quality time with them.
